Here are a few good pairing suggestions for Scarpetta wines. (tasting order) "Everything goes with Pizza" also you can never go wrong with oil & vinegar or cheese!

- Frico Frizzante 250ml- this sparkling white wine from the Emilia-Romagna is primarily Trebbiano with a little Glera and Chardonnay. A perfect aperitivo or mixer for a Spritz. Serve it with cheese and crackers, olives and potato chips.
- Frico Lambrusco 250ml - *God's gift to mortadella*. Serve this with a Pizza, a panino (bologna sandwich), a cheese burger. Especially good with tacos!
- Scarpetta Pinot Grigio DOC Friuli - My go-to choice is smoked salmon. Delicious with sardines and crackers, Chicken Caesar Salad, shrimp cocktail and seafood pasta dishes like Spaghetti and Clams.
- Frico Rosso Toscano - This sangiovese is great with pasta, backyard barbeque, hot dogs and hamburgers, grilled or fried chicken and even a grilled steak.
- Scarpetta Barbera del Monferrato - Barbera and tomato sauce is a match made in Heaven. acidity on the Barbera matches perfectly the acidity of tomatoes. My go-to wine for Spaghetti & Meatballs. Also wonderful with pork dishes, especially bbq ribs.
